APPENDIX L-1: Limits on Provincial Expropriation

APPENDIX L-2: Limits on Federal Expropriation
APPENDIX L-1: LIMITS ON PROVINCIAL EXPROPRIATION

GENERAL

1. Provincial Law applies to the expropriation of NStQ Treaty Settlement Lands by a Provincial Expropriating Authority except to the extent that the Final Agreement modifies its application.

2. A Provincial Expropriating Authority may expropriate an Interest in NStQ Treaty Settlement Lands only with the consent and by the order of the Lieutenant Governor in Council.

3. The Lieutenant Governor in Council may issue an order consenting to an expropriation of an Interest in NStQ Treaty Settlement Lands only:
   a. after the conclusion of the procedures described in paragraphs 4 through 5; and
   b. where the expropriation is justifiable in accordance with paragraph 6.

4. Before the Lieutenant Governor in Council makes a decision under paragraph 3, the Provincial Expropriating Authority will provide a report to NStQ which states the reasons for the expropriation and addresses the factors under subparagraphs 6a to 6d.

5. Within 30 days of receipt of the report under paragraph 4, NStQ will notify the Provincial Expropriating Authority if it objects to the expropriation of the Interest in NStQ Treaty Settlement Lands and, within 30 days of the Provincial Expropriating Authority’s receipt of notice from NStQ, the Provincial Expropriating Authority and NStQ will make reasonable efforts to resolve the objection raised by NStQ.

6. For the purposes of subparagraph 3b, an expropriation is justifiable where the Lieutenant Governor in Council is satisfied that the following requirements have been met:
   a. reasonable efforts have been made by the Provincial Expropriating Authority to acquire the Interest in NStQ Treaty Settlement Lands through agreement with NStQ;
   b. there is no other reasonably feasible alternative to the expropriation, including the use of lands that are not NStQ Treaty Settlement Lands;
c. the Provincial Expropriating Authority has confirmed that the proposed expropriation is of the smallest Interest in NStQ Treaty Settlement Lands necessary and is for the shortest time required;

d. information relevant to the expropriation, other than documents that would be protected from disclosure under Provincial Law, has been provided to NStQ, including the report referred to in paragraph 4; and

e. where NStQ has objected to the expropriation, reasonable efforts have been made to resolve the objection.

7. The Lieutenant Governor in Council will not consent to the expropriation before the end of the period provided for in paragraph 5.

8. Notwithstanding paragraphs 3 to 7, the Lieutenant Governor in Council may consent to the expropriation if the Minister or Lieutenant Governor in Council has declared a state of emergency.

COMPENSATION

9. In the event an Interest in NStQ Treaty Settlement Lands is expropriated by a Provincial Expropriating Authority, the Provincial Expropriating Authority will provide compensation in accordance with the Final Agreement.

10. The total value of compensation for an expropriated Interest in NStQ Treaty Settlement Lands will be based on the criteria used in the Expropriation Act and will take into account the following factors:

   a. the market value of the land based on its use at the date of expropriation plus reasonable damages;

   b. the market value of the land based on its highest and best use at the date of expropriation;

   c. the value of a special economic advantage to the owner arising out of his or her occupation or use of the land; and

   d. the value of improvements made by an owner occupying a residence located on the land.

11. Where the Provincial Expropriating Authority and NStQ disagree on the total value of compensation for the expropriated Interest held by NStQ, a dispute under this section will be finally determined by arbitration. A dispute under this section will not delay the expropriation. For the purpose of this section, British Columbia will act on
behalf of the Provincial Expropriating Authority on such terms as British Columbia and the Provincial Expropriating Authority may agree.

EXPROPRIATION OF LESS THAN FEE SIMPLE ESTATE

12. Where less than a fee simple estate in a parcel of NStQ Treaty Settlement Lands is expropriated by a Provincial Expropriating Authority:

a. the parcel of land retains its status as NStQ Treaty Settlement Lands;

b. NStQ may continue to use and occupy the parcel of land, except to the extent that such use or occupation interferes with the use of land for which the expropriation took place; and

c. NStQ Law applies to the parcel of land, except to the extent that NStQ Law is inconsistent with the use of land for which the expropriation took place.

13. Paragraphs 14 through 22 do not apply to an expropriation by a Provincial Expropriating Authority of less than the fee simple estate in a parcel of NStQ Treaty Settlement Lands.

EXPROPRIATION OF A FEE SIMPLE ESTATE

14. Where a fee simple estate in NStQ Treaty Settlement Lands is expropriated by a Provincial Expropriating Authority:

a. the expropriation will include the fee simple estate to the Subsurface Resources which will revert to British Columbia at the time of expropriation unless British Columbia and NStQ agree otherwise;

b. unless the Provincial Expropriating Authority and NStQ agree otherwise, the expropriation will include all other Interests in the land; and

c. those lands will no longer be NStQ Treaty Settlement Lands and Appendix B will be deemed to amended in accordance with the amendment process set out in paragraph 2.14.11 of the General Provisions Chapter.

15. For the purposes of paragraph 14:

a. the Provincial Expropriating Authority will be responsible for the transaction costs including the cost of surveying, registering and transferring the land; and
b. where the land is registered in the Land Title Office, British Columbia will file such certificates or other documents in the Land Title Office as may be required under the *Land Title Act*.

**PROVINCIAL CROWN LAND AS REPLACEMENT LAND**

16. Where British Columbia expropriates a fee simple estate in NStQ Treaty Settlement Lands, British Columbia will make reasonable efforts to identify and offer provincial Crown land of comparable value within the NStQ Territory to NStQ as compensation.

17. Where the replacement land provided under paragraph 16 is of less than comparable value, British Columbia will provide additional compensation in accordance with paragraph 10.

18. Where NStQ accepts Crown land as replacement land:

   a. British Columbia will provide NStQ with a certificate transferring the indefeasible title or, where applicable, the registered title to the parcel of land to NStQ; and

   b. unless otherwise agreed by British Columbia and NStQ, the replacement land will include the Subsurface Resources provided that the Subsurface Resources are owned by British Columbia.

19. At the request of NStQ, British Columbia will consent to the replacement land being added to NStQ Treaty Settlement Lands and, where Canada consents to such replacement lands becoming NStQ Treaty Settlement Lands in accordance with a request under paragraph 3.4.1 of the Lands Chapter, upon receipt by NStQ of the notice of consent of each of British Columbia and Canada, Appendix B will be deemed to be amended in accordance with the amendment process set out in paragraph 2.14.11 of the General Provisions Chapter.

20. Canada will consent to the addition of replacement land to NStQ Treaty Settlement Lands provided under paragraph 19 subject to the factors set out in paragraph 3.4.1 of the Lands Chapter being met.

21. Replacement land transferred to NStQ in accordance with paragraph 18 continues to be:

   a. subject to any existing Interests existing immediately before the transfer to NStQ, unless otherwise agreed by NStQ and British Columbia; and
b. any tenured Subsurface Resources continue to be administered by British Columbia in accordance with paragraphs 5.1.3 and 5.1.4 of the Subsurface Resources Chapter.

22. If there is no agreement between British Columbia and NStQ on the provision of land as compensation under paragraph 16, British Columbia will provide NStQ with other compensation in accordance with the Expropriation Act.

**INTERESTS ON REPLACEMENT OR RETURNED LANDS**

23. Replacement land accepted by NStQ under paragraph 18 or land returned to NStQ under paragraph 27 will be subject to:

   a. where the parcel is not registered in the Land Title Office any Interest granted by British Columbia that is not discharged at the time of transfer unless NStQ and the Interest holder agree to a replacement Interest, including any modifications agreed to in writing by NStQ and the Interest holder; and

   b. where the parcel is registered in the Land Title Office, any registered charge or registered encumbrance subject to their discharge under the Land Title Act.

24. NStQ will own the Subsurface Resources on lands that are added to NStQ Treaty Settlement Lands under paragraph 19 or 29 where:

   a. the fee simple title includes ownership of the Subsurface Resources; or

   b. British Columbia owns the Subsurface Resources at the time of the transfer to NStQ.

25. For the purposes of subparagraph 24b, unless otherwise agreed by NStQ and British Columbia, any Subsurface Resource tenures and the Subsurface Resources associated with those tenures will be administered by British Columbia in accordance with paragraphs 5.1.3 to 5.1.4 of the Subsurface Resources Chapter.

**REGISTRATION OF REPLACED OR RETURNED LAND**

26. Where NStQ wishes to register land which is replaced under paragraph 18 or returned under paragraph 27, NStQ and British Columbia will, as appropriate, file such plans, certificates, instruments and other documents in the Land Title Office as may be required under the Land Title Act.
RETURN OF AN EXPROPRIATED INTEREST

27. If an expropriated Interest in NStQ Treaty Settlement Lands is no longer required by the Provincial Expropriating Authority, the expropriated Interest will be returned to NStQ subject to terms to be negotiated at the time of the return of the expropriated Interest.

28. Where the fee simple estate to a parcel of land under paragraph 27 is transferred by the Provincial Expropriating Authority to NStQ, NStQ may add the parcel to NStQ Treaty Settlement Lands upon notice to Canada and British Columbia.

29. Upon receipt by Canada and British Columbia of a notice under paragraph 28, the parcel will become NStQ Treaty Settlement Lands and Appendix B will be deemed to be amended in accordance with the amendment process set out in paragraph 2.14.11 of the General Provisions Chapter.
APPENDIX L-2: LIMITS ON FEDERAL EXPROPRIATION

GENERAL

1. Notwithstanding paragraph 3.12.1 of the Lands Chapter, where a fee simple estate of NStQ Treaty Settlement Lands is held by a person other than NStQ, an NStQ Citizen, an NStQ Corporation or an NStQ Public Institution, this Appendix does not apply to the expropriation of any Interest in that fee simple estate and, for greater certainty, such Interest may be expropriated under federal legislation.

2. The Governor-in-Council may consent to an expropriation of an Interest in NStQ Treaty Settlement Lands if the expropriation is justifiable in accordance with paragraph 4 and is necessary for a public purpose.

3. For greater certainty, where federal legislation deems an expropriation to be for a public purpose, the expropriation will be deemed to be necessary for a public purpose under this Appendix N-2.

4. For the purposes of paragraph 2, an expropriation is justifiable where the Governor-in-Council is satisfied that the following requirements have been met:
   a. there is no other reasonably feasible alternative land to acquire that is not NStQ Treaty Settlement Lands;
   b. reasonable efforts have been made by the Federal Expropriating Authority to acquire the Interest in NStQ Treaty Settlement Lands through agreement with NStQ;
   c. the most limited Interest in NStQ Treaty Settlement Lands necessary for the shortest time possible for the purpose for which the Interest in land is sought is expropriated; and
   d. information relevant to the expropriation, other than documents that would be protected from disclosure under federal legislation, has been provided to NStQ.

5. Prior to the Governor-in-Council issuing an order consenting to the expropriation of an Interest in NStQ Treaty Settlement Lands, the Federal Expropriating Authority will provide to NStQ, and make available to the public, a report stating the justification for the expropriation and describing the steps taken to satisfy the requirements set out in paragraph 4.
6. If NStQ objects to a proposed expropriation of an Interest in NStQ Treaty Settlement Lands, it may, within 60 days, or such other time as may be agreed to in writing, after the report has been provided to NStQ in accordance with paragraph 5, by providing notice in writing to the Federal Expropriating Authority, refer for review the matter of the steps taken to satisfy the requirements set out in paragraph 4 directly to neutral evaluation under Stage Two of the Dispute Resolution Chapter.

7. The Federal Expropriating Authority may not seek Governor-in-Council consent to the expropriation of an Interest in NStQ Treaty Settlement Lands before the expiration of the period referred to in paragraph 6 or, if NStQ has referred the matter to a neutral evaluator in accordance with paragraph 6, before the neutral evaluator has delivered an opinion on the matter, such opinion to be rendered within 60 days of the referral being made or within such additional time as the parties may agree.

8. Without limiting the generality of the Dispute Resolution Chapter, the opinion of the neutral evaluator under paragraph 7:
   a. is without prejudice to the legal positions that may be taken by a Federal Expropriating Authority and NStQ in court or in any other forum;
   b. will not be admissible in any legal proceedings, unless otherwise required by law; and
   c. is not binding on the Governor-in-Council under paragraphs 2 and 4.

REPLACEMENT LAND AND COMPENSATION

9. Where an Interest in a parcel of NStQ Treaty Settlement Lands is expropriated by a Federal Expropriating Authority, the Federal Expropriating Authority will make reasonable efforts:
   a. to identify replacement land within the NStQ Territory, being either Crown land or land available on a willing-seller willing-buyer basis, of equivalent or greater size and comparable value; and
   b. if acceptable to NStQ, to acquire and offer the replacement land to NStQ as partial or full compensation for the expropriation.

10. If the Federal Expropriating Authority and NStQ are unable to agree on the provision of replacement land as compensation, the Federal Expropriating Authority will provide NStQ with other compensation in accordance with the Final Agreement.

11. Subject to paragraph 14, if the replacement land identified by the Federal Expropriating Authority would result in the total size of NStQ Treaty Settlement Lands being less than at the Effective Date and NStQ does not agree that the
replacement land is of comparable value to the Interest in NStQ Treaty Settlement Lands being expropriated, NStQ may refer the issue of whether the replacement land is of comparable value to the Interest in NStQ Treaty Settlement Lands being expropriated to be finally determined by arbitration under the Dispute Resolution Chapter.

12. The total value of compensation for an Interest in NStQ Treaty Settlement Lands expropriated by a Federal Expropriating Authority pursuant to this Appendix will be determined by taking into account the following factors:

   a. the market value of the expropriated Interest or of the NStQ Treaty Settlement Lands in which an Interest has been expropriated;

   b. the replacement value of any improvement to NStQ Treaty Settlement Lands in which an Interest has been expropriated;

   c. any expenses or losses resulting from the disturbance directly attributable to the expropriation;

   d. any reduction in the value of any Interest in NStQ Treaty Settlement Lands that is not expropriated which directly relates to the expropriation;

   e. any adverse effect on any cultural or other special value of NStQ Treaty Settlement Lands in which an Interest has been expropriated to NStQ, provided that the cultural or other special value is only applied to an Interest in NStQ Treaty Settlement Lands recognized in law and held by NStQ, and provided that there will be no increase in the total value of compensation on account of any aboriginal rights, title or interest; and

   f. the value of any special economic advantage arising out of or incidental to the occupation or use of NStQ Treaty Settlement Lands to the extent that the value is not otherwise compensated.

13. Subject to paragraph 14, if the total value of compensation cannot be agreed upon between the Federal Expropriating Authority and NStQ, or where there is disagreement on whether the combination of replacement land and cash is equal to the total value of compensation, the Federal Expropriating Authority, or NStQ may refer the dispute for resolution under the Dispute Resolution Chapter.

14. A dispute in respect of the valuation of replacement land under paragraph 11, or on the total value of compensation under paragraph 12, or on the terms and conditions of the return of land under paragraph 24, will not delay the expropriation.
15. Interest on compensation is payable from the effective date of an expropriation at the interest rate payable in accordance with federal legislation.

16. Where a Federal Expropriating Authority expropriates or otherwise acquires a fee simple estate in a parcel of NStQ Treaty Settlement Lands, the land will no longer be NStQ Treaty Settlement Lands and Appendix B will be deemed to be amended in accordance with the amendment process set out in paragraph 2.14.11 of the General Provisions Chapter.

17. Where a Federal Expropriating Authority expropriates less than a fee simple estate in a parcel of NStQ Treaty Settlement Lands:

   a. the parcel of land retains its status as NStQ Treaty Settlement Lands;

   b. the parcel of land remains subject to NStQ Law, except to the extent that such law is interferes with the use of the parcel of land for which the expropriation took place; and

   c. NStQ may continue to use and occupy the parcel of land, except to the extent the use or occupation is inconsistent with or interfere with the expropriation in the view of the Federal Expropriating Authority.

18. Canada and British Columbia will consent to replacement land, transferred by a Federal Expropriating Authority to NStQ, as part of the compensation in accordance with paragraph 10 being added to NStQ Treaty Settlement Lands if:

   a. the replacement land is located in an area that is free from overlap with:

      i. other First Nations that have claims of legal Interests; or

      ii. an area subject to treaty negotiations,

        except where the other First Nation in those cases consents to the addition; and

   b. the addition of replacement land to NStQ Treaty Settlement Lands will not result in Canada or British Columbia being required to assume financial or other obligations.

**RETURN OF AN EXPROPRIATED INTEREST**

19. Where an expropriated Interest in a parcel of NStQ Treaty Settlement Lands is no longer required for the purpose for which it was expropriated, the federal department, agency or other entity, or its successors or assigns, who holds the
expropriated Interest, will ensure that the Interest is returned to NStQ on the terms and conditions negotiated in accordance with paragraph 24.

20. Where a fee simple estate is returned to NStQ in accordance with paragraph 19, the parcel of land will become NStQ Treaty Settlement Lands on the date of the transfer of the fee simple estate to NStQ.

21. If a parcel of NStQ Treaty Settlement Lands is no longer NStQ Treaty Settlement Lands under paragraph 16, or where replacement lands are added to NStQ Treaty Settlement Lands under paragraph 18, or where land is returned to NStQ under paragraph 19, Appendix B will be deemed to be amended in accordance with the amendment process set out in paragraph 2.14.11 of the General Provisions Chapter.

22. The consent of the Governor-in-Council is not required to give effect to a reversion under paragraph 19, and the federal department, agency or other entity who holds the expropriated Interest will determine the Disposition of any improvements made to the land in a manner consistent with the agreement reached pursuant to paragraph 24.

23. NStQ agrees that the return of an Interest in NStQ Treaty Settlement Lands under paragraph 20 will not result in Canada or British Columbia assuming financial or other obligations, unless agreed to in writing at the time of the expropriation.

24. At the time of the expropriation, NStQ and the Federal Expropriating Authority will negotiate the terms and conditions of the return of an expropriated Interest in NStQ Treaty Settlement Lands, including:
   a. requirements relating to financial considerations based on market value principles;
   b. the condition of the land to be returned; and
   c. the process for resolving any disputes around the implementation of these terms and conditions.

25. Where the terms and conditions of the return of an expropriated Interest in NStQ Treaty Settlement Lands cannot be agreed upon by NStQ and the Federal Expropriating Authority at the time of the expropriation, either NStQ or the Federal Expropriating Authority may refer the issue to be finally determined by arbitration under the Dispute Resolution Chapter.
OTHER MATTERS

26. Except as otherwise provided in this Appendix, no conflict or dispute between the Parties respecting the interpretation, application or implementation of this Appendix will go to dispute resolution under the Dispute Resolution Chapter.

27. For greater certainty, and subject to paragraph 28, except to the extent that the provisions of this Appendix modify the application of federal legislation relating to an expropriation of NStQ Treaty Settlement Lands, all federal legislation relating to expropriation applies to an expropriation of NStQ Treaty Settlement Lands under this Appendix.

28. Without limiting the generality of paragraph 2.6.5 of the General Provisions Chapter, in the event of an inconsistency between the Final Agreement and the federal Expropriation Act or other federal legislation relating to the expropriation, the provisions of the Final Agreement will prevail to the extent of the inconsistency.

   a. orally, except in the presence of all other Parties; or
   b. in writing, without immediately sending a copy of that communication to all other Parties.

5. Section 4 also applies to any communication by the Arbitral Tribunal to the Parties.

WAIVER OF RIGHT TO OBJECT

6. A Party that knows that:
   a. any provision of this Appendix; or
   b. any requirement under the Final Agreement or Arbitration Agreement, has not been complied with, and yet proceeds with the arbitration without stating its objection to non-compliance without undue delay or, if a time limit is provided for stating that objection, within that period of time, will be deemed to have waived its right to object.

EXTENT OF JUDICIAL INTERVENTION

7. In matters governed by this Appendix:
   a. no court shall intervene except as provided in this Appendix; and
   b. no arbitral proceedings of an Arbitral Tribunal, or order, ruling or Arbitral Award made by an Arbitral Tribunal shall be questioned, reviewed or restrained by a proceeding under any legislation or other law that permits judicial review except to the extent provided in this Appendix.
CONSTRUCTION OF APPENDIX

8. In construing a provision of this Appendix, a court or Arbitral Tribunal may refer to the documents of the United Nations Commission on International Trade Law and its working group respecting the preparation of the UNCITRAL Model Arbitration Law and must give those documents the weight that is appropriate in the circumstances.

STAY OF LEGAL PROCEEDINGS

9. If a Party commences legal proceedings in a court against another Party in respect of a matter required or agreed to be submitted to arbitration, a Party to the legal proceedings may, before or after entering an appearance, and before delivery of any pleadings or taking any other step in the proceedings, apply to that court to stay the proceedings.

10. In an application under Section 9, the court will make an order staying the legal proceedings unless it determines that:

   a. the Arbitration Agreement is null and void, inoperative or incapable of being performed; or

   b. the legal proceedings are permitted under the Chapter.

11. An arbitration may be commenced or continued, and an Arbitral Award made, even if an application has been brought under Section 9, and the issue is pending before the court.

INTERIM MEASURES BY COURT

12. It is not incompatible with an Arbitration Agreement for a Party to request from a court, before or during arbitral proceedings, an interim measure of protection as provided in paragraph 28.3.4 of the Chapter, and for a court to grant that measure.

COMMENCEMENT OF ARBITRAL PROCEEDINGS

13. The arbitral proceedings in respect of a disagreement:

   a. required to be arbitrated as set out in paragraph 28.8.1 of the Chapter, commences on delivery of the notice of arbitration to the Parties; or

   b. agreed to be arbitrated as set out in paragraph 28.8.2 of the Chapter, commences on the date of the Arbitration Agreement.
NOTICE OF ARBITRATION

14. A notice of arbitration under paragraph 28.8.1 of the Chapter must be in writing and contain the following information:

   a. a statement of the subject matter or issues of the disagreement;
   b. a requirement that the disagreement be referred to arbitration;
   c. the remedy sought;
   d. the suggested number of arbitrators; and
   e. any preferred qualifications of the arbitrators.

15. A notice of arbitration under Section 14 may contain the names of any proposed arbitrators.

ARBITRATORS

16. In an arbitration:

   a. required to be arbitrated as set out in paragraph 28.8.1 of the Chapter, there will be three arbitrators; and
   b. agreed to be arbitrated as set out in paragraph 28.8.2 of the Chapter, there will be one arbitrator.

17. A person eligible for appointment as:

   c. a single arbitrator or as a member or chair of an arbitral panel will be an experienced arbitrator or arbitration counsel or have had training in arbitral procedure; and
   d. a single arbitrator or member of an arbitral panel will:
      i. be independent and impartial, and
      ii. preferably, have knowledge of, or experience in, the subject matter or issues of the disagreement.

APPOINTMENT OF ARBITRATORS

18. A Party proposing the name of an arbitrator to another Party under Section 19 will also submit a copy of that person's resume and the statement that person is required to make under Section 25.
19. In an arbitration with a single arbitrator, if the Parties fail to agree on the arbitrator within 30 days after the commencement of the arbitration, the appointment will be made by the Neutral Appointing Authority, on the written request of a Party that is copied to the other Parties.

20. In an arbitration with three arbitrators and two Parties:
   a. each Party will appoint one arbitrator, and the two appointed arbitrators will appoint the third arbitrator; and
   b. the three arbitrators shall select a chair from among themselves.

21. In the appointment procedure under Section 20, if:
   a. a Party fails to appoint an arbitrator within 30 days after receipt of a request to do so from the other Party; or
   b. the two appointed arbitrators fail to agree on the third arbitrator within 30 days after the last of them is appointed; or
   c. the three arbitrators fail to appoint a chair within 15 days after the last of them is appointed,

      the appointment will be made by the Neutral Appointing Authority, on the written request of a Party that is copied to the other Parties.

22. In an arbitration with three arbitrators and three Parties:
   a. the three Parties will jointly appoint the three arbitrators; and
   b. the three arbitrators shall select a chair from among themselves.

23. In the arbitration procedure under Section 22, if:
   a. the three Parties fail to agree on the three arbitrators within 60 days after the commencement of the arbitration; or
   b. the three arbitrators fail to appoint a chair within 15 days after the last of them is appointed,

      the appointments will be made by the Neutral Appointing Authority, on the written request of a Party copied to the other Parties.
24. The Neutral Appointing Authority, in appointing an arbitrator or the chair of an Arbitral Tribunal, must have due regard to:

   a. any qualifications as set out in Section 17 or as otherwise agreed in writing by the Parties; and

   b. other considerations as are likely to secure the appointment of an independent and impartial arbitrator or chair.

GROUND FOR CHALLENGE

25. When a person is approached in connection with possible appointment as an arbitrator, that person will provide a written statement:

   a. disclosing any circumstances likely to give rise to justifiable doubts as to their independence or impartiality; or

   b. advising that the person is not aware of any circumstances of that nature and committing to disclose them if they arise or become known at a later date.

26. An arbitrator, from the time of appointment and throughout the arbitral proceedings, will, without delay, disclose to the Parties any circumstances referred to in Section 25 unless the Parties have already been informed of them.

27. An arbitrator may be challenged only if:

   a. circumstances exist that give rise to justifiable doubts as to the arbitrator's independence or impartiality; or

   b. the arbitrator does not possess the qualifications set out in this Appendix or as otherwise agreed in writing by the Parties.

28. A Party may only challenge an arbitrator appointed by that Party, or in whose appointment that Party has participated, for reasons of which that Party becomes aware after the appointment has been made.

29. A person who is an NStQ Citizen, or related to an NStQ Citizen, may not be challenged under Section 27 solely on the grounds of that citizenship or relationship.

CHALLENGE PROCEDURE

30. A Party who intends to challenge an arbitrator will send to the Arbitral Tribunal a written statement of the reasons for the challenge within 15 days after becoming
aware of the constitution of the Arbitral Tribunal, or after becoming aware of any circumstances referred to in Section 27.

31. Unless the arbitrator challenged under Section 30 withdraws from office, or the other Parties agree to the challenge, the Arbitral Tribunal will decide on the challenge.

32. If a challenge under any procedure agreed upon by the Parties or under the procedure under Section 30 is not successful, the challenging Party, within 30 days after having received notice of the decision rejecting the challenge, may request the Neutral Appointing Authority to decide on the challenge.

33. The decision of the Neutral Appointing Authority under Section 32 is final and is not subject to appeal.

34. While a request under Section 32 is pending, the Arbitral Tribunal, including the challenged arbitrator, may continue the arbitral proceedings and make an Arbitral Award unless:

a. the costs occasioned by proceeding before the decision of the Neutral Appointing Authority is made would unduly prejudice the Parties; or

b. the Parties agree otherwise.

FAILURES OR IMPOSSIBILITY TO ACT

35. The mandate of an arbitrator terminates if the arbitrator becomes unable at law, or as a practical matter, to perform the arbitrator's functions, or for other reasons fails to act without undue delay.

36. If a controversy remains concerning any of the grounds referred to in Section 35, a Party may request the Neutral Appointing Authority to decide on the termination of the mandate.

TERMINATION OF MANDATE AND SUBSTITUTION OF ARBITRATOR

37. In addition to the circumstances referred to under Sections 30 to 32, and 35, the mandate of an arbitrator terminates:

a. if the arbitrator withdraws from office for any reason; or

b. by, or pursuant to, an agreement of the Parties.

38. If the mandate of an arbitrator terminates, a replacement arbitrator must be appointed under Sections 18 to 24, as applicable.
39. If a single or chairing arbitrator is replaced, any hearings previously held must be repeated.

40. If an arbitrator, other than a single or chairing arbitrator, is replaced, any hearings previously held may be repeated at the discretion of the Arbitral Tribunal.

41. An order or ruling of the Arbitral Tribunal made before the replacement of an arbitrator under Section 38 is not invalid solely because there has been a change in the composition of the tribunal.

**COMPETENCE OF ARBITRAL TRIBUNAL TO RULE ON ITS JURISDICTION**

42. An Arbitral Tribunal may rule on its own jurisdiction.

43. A plea that an Arbitral Tribunal does not have jurisdiction must be raised no later than the submission of the statement of defence, but a Party is not precluded from raising that plea by the fact that the Party has appointed, or participated in the appointment of, an arbitrator.

44. A plea that an Arbitral Tribunal is exceeding the scope of its authority must be made as soon as the matter alleged to be beyond the scope of its authority is raised during the arbitral proceedings.

45. An Arbitral Tribunal may, in either of the cases referred to in Section 43 or 44, admit a later plea if it considers the delay justified.

46. An Arbitral Tribunal may rule on a plea referred to in Section 43 or 44 either as a preliminary question or in the Arbitral Award.

47. If an Arbitral Tribunal rules as a preliminary question that it has jurisdiction, any Party, within 15 days after having received notice of that ruling, may request the Supreme Court to decide the matter.

48. A decision of the Supreme Court under Section 47 is final and is not subject to appeal.

49. While a request under Section 47 is pending, an Arbitral Tribunal may continue the arbitral proceedings and make an Arbitral Award unless:
   
a. the costs occasioned by proceeding before the decision of the Supreme Court is made would unduly prejudice the Parties; or
   
b. the Parties agree otherwise.
INTERIM MEASURES ORDERED BY ARBITRAL TRIBUNAL

50. Unless otherwise agreed by the Parties, the Arbitral Tribunal may, at the request of a Party, order a Party to take any interim measure of protection as the Arbitral Tribunal may consider necessary in respect of the subject matter of the disagreement.

51. The Arbitral Tribunal may require a Party to provide appropriate security in connection with a measure ordered under Section 50.

EQUAL TREATMENT OF PARTIES

52. The Parties will be treated with equality and each Party must be given a full opportunity to present its case.

DETERMINATION OF RULES OF PROCEDURE

53. Subject to this Appendix, the Parties may agree on the procedure to be followed by the Arbitral Tribunal in conducting the proceedings.

54. Failing any agreement under Section 53, the Arbitral Tribunal, subject to this Appendix, may conduct the arbitration in the manner it considers appropriate.

55. The Arbitral Tribunal is not required to apply the legal rules of evidence, and may determine the admissibility, relevance, materiality and weight of any evidence.

56. The Arbitral Tribunal must make all reasonable efforts to conduct the arbitral proceedings in the most efficient, expeditious and cost effective manner as is appropriate in all the circumstances of the case.

57. The Arbitral Tribunal may extend or abridge a period of time:
   a. set in this Appendix, except the period specified in Section 105; or
   b. established by the tribunal.

PRE-HEARING MEETING

58. Within 10 days after the Arbitral Tribunal is selected, the tribunal will convene a pre-hearing meeting of the Parties to reach agreement and to make any necessary orders on:
   a. any procedural issues arising under this Appendix;
   b. the procedure to be followed in the arbitration;
   c. the time periods for taking steps in the arbitration;
d. the scheduling of hearings or meetings, if any;

e. any preliminary applications or objections; and

f. any other matter which will assist the arbitration to proceed in an efficient and expeditious manner.

59. The Arbitral Tribunal will prepare and distribute promptly to the Parties a written record of all the business transacted, and decisions and orders made, at the pre-hearing meeting.

60. The pre-hearing meeting may be conducted by conference call.

PLACE OF ARBITRATION

61. The arbitration will take place in the Province of British Columbia.

62. Despite Section 61, an Arbitral Tribunal may meet at any place it considers appropriate for consultation among its members, for hearing witnesses, experts or the Parties, or for inspection of documents, goods or other personal property, or for viewing physical locations.

LANGUAGE

63. If the Arbitral Tribunal determines that it was necessary or reasonable for a Party to incur the costs of translation of documents and oral presentations in the circumstances of a particular disagreement, the Arbitral Tribunal, on application of a Party, may order that any of the costs of that translation be deemed to be costs of the arbitration under paragraph 28.13.1 of the Chapter.

STATEMENTS OF CLAIM AND DEFENCE

64. Within 21 days after the Arbitral Tribunal is constituted, the Applicant will deliver a written statement to all the Parties stating the facts supporting its claim or position, the points at issue and the relief or remedy sought.

65. Within 15 days after receipt of the Applicant's statement, each Respondent will deliver a written statement to all the Parties stating its defence or position in respect of those particulars.

66. Each Party must attach to its statement a list of documents:

   a. upon which the Party intends to rely; and

   b. which describes each document by kind, date, author, addressee and subject matter.
67. The Parties may amend or supplement their statements, including the list of documents, and deliver counter-claims and defences to counter-claims during the course of the arbitral proceedings, unless the Arbitral Tribunal considers it inappropriate to allow the amendment, supplement or additional pleadings having regard to:

   a. the delay in making it; and

   b. any prejudice suffered by the other Parties.

68. The Parties will deliver copies of all amended, supplemented or new documents delivered under Section 67 to all the Parties.

**DISCLOSURE**

69. The Arbitral Tribunal may order a Party to produce, within a specified time, any documents that:

   a. have not been listed under Section 66;

   b. the Party has in its care, custody or control; and

   c. the Arbitral Tribunal considers to be relevant.

70. Each Party will allow the other Party the necessary access at reasonable times to inspect and take copies of all documents that the former Party has listed under Section 66, or that the Arbitral Tribunal has ordered to be produced under Section 69.

71. The Parties will prepare and send to the Arbitral Tribunal an agreed statement of facts within the time specified by the Arbitral Tribunal.

72. Not later than 21 days before a hearing commences, each Party will give the other Parties:

   a. the name and address of any witness and a written summary of the witness’s evidence; and

   b. in the case of an expert witness, a written statement or report prepared by the expert witness.

73. Not later than 15 days before a hearing commences, each Party will give to the other Parties and the Arbitral Tribunal an assembly of all documents to be introduced at the hearing.
HEARINGS AND WRITTEN PROCEEDINGS

74. The Arbitral Tribunal will decide whether to hold hearings for the presentation of evidence or for oral argument, or whether the proceedings will be conducted on the basis of documents and other materials.

75. Unless the Parties have agreed that no hearings will be held, the Arbitral Tribunal will hold hearings at an appropriate stage of the proceedings, if so requested by a Party.

76. The Arbitral Tribunal will give the Parties sufficient advance notice of any hearing and of any meeting of the Arbitral Tribunal for the purpose of inspection of documents, goods or other property or viewing any physical location.

77. All statements, documents or other information supplied to, or applications made to, the Arbitral Tribunal by one Party will be communicated to the other Parties, and any expert report or evidentiary document on which the Arbitral Tribunal may rely in making its decision must be communicated to the Parties.

78. Unless ordered by the Arbitral Tribunal, all hearings and meetings in arbitral proceedings, other than meetings of the Arbitral Tribunal, are open to the public.

79. The Arbitral Tribunal will schedule hearings to be held on consecutive days until completion, unless the Parties agree otherwise.

80. All oral evidence must be taken in the presence of the Arbitral Tribunal and all the Parties unless a Party is absent by default or has waived the right to be present.

81. The Arbitral Tribunal may order any individual to be examined by the Arbitral Tribunal under oath or on affirmation in relation to the disagreement and to produce before the Arbitral Tribunal all relevant documents within the individual's care, custody or control.

82. The document assemblies delivered under Section 73 will be deemed to have been entered into evidence at the hearing without further proof and without being read out at the hearing, but a Party may challenge the admissibility of any document so introduced.

83. If the Arbitral Tribunal considers it just and reasonable to do so, the Arbitral Tribunal may permit a document that was not previously listed under Section 66, or produced as required under Section 69 or 70, to be introduced at the hearing, but the Arbitral Tribunal may take that failure into account when fixing the costs to be awarded in the arbitration.
84. If the Arbitral Tribunal permits the evidence of a witness to be presented as a written statement, the other Party may require that witness to be made available for cross examination at the hearing.

85. The Arbitral Tribunal may order a witness to appear and give evidence, and, in that event, the Parties may cross examine that witness and call evidence in rebuttal.

DEFAULT OF A PARTY

86. If, without showing sufficient cause, the Applicant fails to communicate its statement of claim in accordance with Section 64, the Arbitral Tribunal may terminate the proceedings.

87. If, without showing sufficient cause, a Respondent fails to communicate its statement of defence in accordance with Section 65, the Arbitral Tribunal will continue the proceedings without treating that failure in itself as an admission of the Applicant's allegations.

88. If, without showing sufficient cause, a Party fails to appear at the hearing or to produce documentary evidence, the Arbitral Tribunal may continue the proceedings and make the Arbitral Award on the evidence before it.

89. Before terminating the proceedings under Section 86, the Arbitral Tribunal must give all Respondents written notice providing an opportunity to file a statement of claim in respect of the disagreement within a specified period of time.

EXPERT APPOINTED BY ARBITRAL TRIBUNAL

90. After consulting the Parties, the Arbitral Tribunal may:

   a. appoint one or more experts to report to it on specific issues to be determined by the Arbitral Tribunal; and

   b. for that purpose, require a Party to give the expert any relevant information or to produce, or to provide access to, any relevant documents, goods or other personal property or land for inspection or viewing.

91. The Arbitral Tribunal must give a copy of the expert's report to the Parties who must have an opportunity to reply to it.

92. If a Party so requests, or if the Arbitral Tribunal considers it necessary, the expert must, after delivery of a written or oral report, participate in a hearing where the
Parties must have the opportunity to cross examine the expert and to call any evidence in rebuttal.

93. The expert must, on the request of a Party:

a. make available to that Party for examination all documents, goods or other property in the expert's possession, and provided to the expert in order to prepare a report; and

b. provide that Party with a list of all documents, goods or other personal property or land not in the expert's possession but which were provided to or given access to the expert, and a description of the location of those documents, goods or other personal property or lands.

**LAW APPLICABLE TO SUBSTANCE OF DISPUTE**

94. An Arbitral Tribunal must decide the disagreement in accordance with the law.

95. If the Parties have expressly authorized it to do so, an Arbitral Tribunal may decide the disagreement based upon equitable considerations.

96. In all cases, an Arbitral Tribunal must make its decisions in accordance with the spirit and intent of the Final Agreement.

97. Before a final Arbitral Award is made, an Arbitral Tribunal or a Party, with the agreement of the other Parties, may refer a question of law to the Supreme Court for a ruling.

98. A Party may appeal a decision in the Supreme Court under Section 97 to the British Columbia Court of Appeal with leave of the British Columbia Court of Appeal. If the British Columbia Court of Appeal:

a. refuses to grant leave to a Party to appeal a ruling of the Supreme Court under Section 97 or

b. hears an appeal from a ruling of the Supreme Court under Section 97, the decision of the British Columbia Court of Appeal may not be appealed to the Supreme Court of Canada.

99. While a request under Section 97 is pending, the Arbitral Tribunal may continue the arbitral proceedings and make an Arbitral Award unless:

a. the costs occasioned by proceeding before the ruling of the Supreme Court is made would unduly prejudice the Parties; or
b. the Parties agree otherwise.

DECISION MAKING BY PANEL OF ARBITRATORS

100. In arbitral proceedings with more than one arbitrator, any decision of the Arbitral Tribunal must be made by a majority of all its members.

101. If there is no majority decision on a matter to be decided, the decision of the chair of the tribunal is the decision of the tribunal.

102. Notwithstanding Section 100, if authorized by the Parties or all the members of the Arbitral Tribunal, questions of procedure may be decided by the chair of the tribunal.

SETTLEMENT

103. If, during arbitral proceedings, the Parties settle the disagreement, the Arbitral Tribunal will terminate the proceedings and, if requested by the Parties, will record the settlement in the form of an Arbitral Award on agreed terms.

104. An Arbitral Award on agreed terms:

   a. will be made in accordance with Sections 106 to 108;
   b. will state that it is an Arbitral Award; and
   c. has the same status and effect as any other Arbitral Award on the substance of the disagreement.

FORM AND CONTENT OF ARBITRAL AWARD

105. An Arbitral Tribunal will make its final award as soon as possible and, in any event, not later than 60 days after:

   a. the hearings have been closed; or
   b. the final submission has been made,

   whichever is the later date.

106. An Arbitral Award will be made in writing, and be signed by the members of the Arbitral Tribunal.

107. An Arbitral Award will state the reasons upon which it is based, unless:

   a. the Parties have agreed that no reasons are to be given; or
b. the award is an Arbitral Award on agreed terms under Sections 103 and 104.

108. A signed copy of an Arbitral Award will be delivered to all the Parties by the Arbitral Tribunal.

109. At any time during the arbitral proceedings, an Arbitral Tribunal may make an interim Arbitral Award on any matter with respect to which it may make a final Arbitral Award.

110. An Arbitral Tribunal may award interest.

111. The costs of an arbitration are in the discretion of the Arbitral Tribunal which, in making an order for costs, may:

   a. include as costs:

      i. the fees and expenses of the arbitrators and expert witnesses;

      ii. legal fees and expenses of the Parties;

      iii. any administration fees of a Neutral Appointing Authority; or

      iv. any other expenses incurred in connection with the arbitral proceedings; and

   b. specify:

      i. the Party entitled to costs;

      ii. the Party who will pay the costs;

      iii. subject to Section 112, the amount of costs or method of determining that amount; and

      iv. the manner in which the costs will be paid.

112. For purposes of Section 111, an Arbitral Tribunal may award up to 50% of the reasonable and necessary legal fees and expenses that were actually incurred by a Party, and if the legal services were provided by an employee or employees of that Party, the Arbitral Tribunal may fix an amount or determine an hourly rate to be used in the calculation of the cost of those employee legal fees.
TERMINATION OF PROCEEDINGS

113. An Arbitral Tribunal will close any hearings if:
   a. the Parties advise they have no further evidence to give or submissions to make; or
   b. the tribunal considers further hearings to be unnecessary or inappropriate.

114. A final Arbitral Award, or an order of the Arbitral Tribunal under Section 115, terminates arbitral proceedings.

115. An Arbitral Tribunal will issue an order for the termination of the arbitral proceedings if:
   a. the Applicant withdraws its claim, unless the Respondent objects to the order and the Arbitral Tribunal recognizes a legitimate interest in obtaining a final settlement of the disagreement;
   b. the Parties agree on the termination of the proceedings; or
   c. the Arbitral Tribunal finds that the continuation of the proceedings has for any other reason become unnecessary or impossible.

116. Subject to Sections 117 to 122 and Section 126, the mandate of an Arbitral Tribunal terminates with the termination of the arbitral proceedings.

CORRECTION AND INTERPRETATION OF AWARD; ADDITIONAL AWARD

117. Within 30 days after receipt of an Arbitral Award:
   a. a Party may request the Arbitral Tribunal to correct in the tribunal award any computation errors, any clerical or typographical errors or any other errors of a similar nature; and
   b. a Party may, if agreed by all the Parties, request the Arbitral Tribunal to give an interpretation of a specific point or part of the Arbitral Award.

118. If an Arbitral Tribunal considers a request made under Section 117 to be justified, it will make the correction or give the interpretation within 30 days after receipt of the request and the interpretation will form part of the Arbitral Award.

119. An Arbitral Tribunal, on its own initiative, may correct any error of the type referred to in Subsection 117(a) within 30 days after the date of the Arbitral Award.
120. A Party may request, within 30 days after receipt of an Arbitral Award, the Arbitral Tribunal to make an additional Arbitral Award respecting claims presented in the arbitral proceedings, but omitted from the Arbitral Award.

121. If the Arbitral Tribunal considers a request made under Section 120 to be justified, it will make an additional Arbitral Award within 60 days.

122. Sections 106 to 108, and Sections 110 to 112 apply to a correction or interpretation of an Arbitral Award made under Section 118 or 119, or to an additional Arbitral Award made under Section 121.

APPLICATION FOR SETTING ASIDE ARBITRAL AWARD

123. Subject to Sections 128 and 130, an Arbitral Award may be set aside by the Supreme Court, and no other court, only if a Party making the application establishes that:

a. the Party making the application:
   i. was not given proper notice of the appointment of an arbitrator or of the arbitral proceedings, or
   ii. was otherwise unable to present its case or respond to the other Party's case;

b. the Arbitral Award:
   i. deals with a disagreement not contemplated by or not falling within the terms of the submission to arbitration, or
   ii. contains decisions on matters beyond the scope of the submission to arbitration, provided that, if the decisions on matters submitted to arbitration can be separated from those not so submitted, only that part of the Arbitral Award that contains decisions on matters not submitted to arbitration may be set aside;

c. the composition of the Arbitral Tribunal or the arbitral procedure was not in accordance with the agreement of the Parties, unless that agreement was in conflict with a provision of this Appendix from which the Parties cannot derogate or, failing any agreement, was not in accordance with this Appendix;

d. the Arbitral Tribunal or a member of it has committed a corrupt or fraudulent act; or
e. the award was obtained by fraud.

124. An application for setting aside may not be made more than three months:

f. after the date on which the Party making that application received the Arbitral Award; or

g. if a request had been made under Section 117 or 120, after the date on which that request was disposed of by the Arbitral Tribunal.

125. An application to set aside an award on the ground that the Arbitral Tribunal or a member of it has committed a corrupt or fraudulent act or that the award was obtained by fraud must be commenced:

a. within the period referred to in Section 124; or

b. within 30 days after the Applicant discovers or ought to have discovered the fraud or corrupt or fraudulent act,

whichever is the longer period.

126. When asked to set aside an Arbitral Award, the Supreme Court may, where it is appropriate and it is requested by a Party, adjourn the proceedings to set aside the Arbitral Award for a period of time determined by it in order to give the Arbitral Tribunal an opportunity to:

a. resume the arbitral proceedings; or

b. take any other action that, in the Arbitral Tribunal's opinion, will eliminate the grounds for setting aside the Arbitral Award.

127. A Party that was not a participating party in an arbitration must be given notice of an application under Section 123, and is entitled to be a party to, and make representation on, the application.

APPEAL ON QUESTION OF LAW

128. A Party may appeal an Arbitral Award to the Supreme Court, with leave, on a question of law, which the Supreme Court must grant only if it is satisfied that:

a. the importance of the result of the arbitration to the Parties justifies the intervention of the court, and the determination of the point of law may prevent a miscarriage of justice; or

b. the point of law is of general or public importance.
129. An application for leave may not be made more than three months:

c. after the date on which the Party making the application received the Arbitral Award; or

d. if a request had been made under Section 117 or 120, after the date on which that request was disposed of by the Arbitral Tribunal.

130. The Supreme Court may confirm, vary or set aside the Arbitral Award or may remit the award to the Arbitral Tribunal with directions, including the court's opinion on the question of law.

131. When asked to set aside an Arbitral Award the Supreme Court may, where it is appropriate and it is requested by a Party, adjourn the proceedings to set aside the Arbitral Award for a period of time determined by it in order to give the Arbitral Tribunal an opportunity to:

a. resume the arbitral proceedings; or

b. take any other action that, in the Arbitral Tribunal's opinion, will eliminate the grounds for setting aside the Arbitral Award.

132. A Party that was not a participating party in an arbitration must be given notice of an application under Section 128 and is entitled to be a party to, and make representation on the application.

133. A Party may appeal a decision of the Supreme Court under Section 130 to the British Columbia Court of Appeal with leave of the British Columbia Court of Appeal.

134. If the British Columbia Court of Appeal:

a. refuses to grant leave to a Party to appeal a ruling of the Supreme Court under Section 130; or

b. hears an appeal from a ruling of the Supreme Court under Section 130, the decision of the British Columbia Court of Appeal may not be appealed to the Supreme Court of Canada.

135. No application may be made under Section 128 in respect of:

a. an Arbitral Award based upon equitable considerations as permitted in Section 95; or
b. an Arbitral Award made in an arbitration commenced under paragraph 28.8.1 of the Chapter.

136. No application for leave may be brought under Section 128 in respect of a ruling made by the Supreme Court under Section 97 if the time for appealing that ruling has already expired.

RECOGNITION AND ENFORCEMENT

137. An Arbitral Award must be recognized as binding and, upon application to the Supreme Court, must be enforced subject to paragraphs 15.19.4 to 15.19.6 of the NStQ Governance Chapter.

138. Unless the Supreme Court orders otherwise, the Party relying on an Arbitral Award or applying for its enforcement will supply the duly authenticated original Arbitral Award or a duly certified copy of it.

GROUNDS FOR REFUSING ENFORCEMENT

139. Subject to Sections 127 and 132, a Party that was not a participating party in an arbitration must not bring an application under Section 123 or 128 to set the award aside but may resist enforcement of the award against it by bringing an application under Section 140.

140. On the application of a Party that was not a participating party in an arbitration, the Supreme Court may make an order refusing to enforce against that Party an Arbitral Award made under this Appendix if that Party establishes that:

a. it was not given copies of:
   i. the notice of arbitration or agreement to arbitrate, or
   ii. the pleadings or all amendments and supplements to the pleadings;

b. the Arbitral Tribunal refused to add the Party as a participating party to the arbitration under paragraph 28.8.5 of the Chapter;

c. the Arbitral Award:
   i. deals with a disagreement not contemplated by or not falling within the terms of the submission to arbitration, or
   ii. contains decisions on matters beyond the scope of the submission to arbitration,
provided that, if the decisions on matters submitted to arbitration can be separated from those not so submitted, that part of the Arbitral Award which contains decisions on matters submitted to arbitration may be recognized and enforced;

d. the Arbitral Award has not yet become binding on the Parties or has been set aside or suspended by a court;

e. the Arbitral Tribunal or a member of it has committed a corrupt or fraudulent act; or

f. the award was obtained by fraud.
